

# Positive feedback

The screenshot displays the Agency mgmt. software interface. At the top, the logo 'Agency mgmt.' is centered, with navigation links for 'LARRY', 'YOUR SETUP', 'FONTS', 'MEDIA', 'COLOR SYSTEM', and 'APP DEVELOPMENT'. A user profile icon is in the top right. Below the navigation, there are system status indicators: 'FROST ACTIVE: ACCESS RESTREINT' with a list of IDs, and 'FROST: 0 SECURITY', 'DAM: 1715 FILES', 'MTOK: 3K PURCHASE'. The main section is titled 'MGMT COLOR SYSTEM' with a subtitle 'THE MGMT COLOR SYSTEM (POSITIVE FEEDBACK COLOR SYSTEM) IS NOT A STATIC PALETTE'. The interface is divided into three main panels: 1. 'MGMT CONTROLLER' on the left, containing 'BASIC COLOR SCHEMA' (Brand Identity, Workspace, Hierarchy, Product Level, Color Mode) and 'PF COLOR SYSTEM' (Proprietary AI Color Architecture). 2. 'PF COLOR SYSTEM' in the center, featuring a color wheel diagram and a video preview of a person in a modern interior. 3. 'PF LUT (LOOK-UP TABLE)' on the right, showing a 'Brand Color Recipe' with 'GENERATE' and 'DELETE' buttons. A large, stylized illustration of two cats is overlaid on the right side of the interface.
